RADVISION NAMES NEW INDEPENDENT DIRECTOR TO BOARD

Tel-Aviv, Israel and Glen Rock, New Jersey, June 9, 2003 -- RADVISION LTD. (Nasdaq: RVSN) shareholders yesterday voted to appoint Yossi Atsmon to its Board of Directors. Mr. Atsmon will begin a three-year term as an independent director, replacing Dan Goldstein, who recently completed his three-year term on the Board.

An electrical engineering specialist, Mr. Atsmon most recently served as chairman of Discretix Ltd. and presently serves as a director of Nice Ltd. and Ceragon Networks Ltd. He is also the former CEO of Teledata Communications and has held various executive positions at Tadiran Ltd., including division president and corporate vice president of business development.

“Yossi is very well-regarded throughout the industry for his strong leadership and business acumen,” said Zohar Zisapel, Chairman of the Board of RADVISION, Ltd. “I am certain he will be a great asset to the Board and look forward to working closely with him as we continue to grow RADVISION’s position as a market leader in delivering and enabling next generation communications and creating significant long-term value for shareholders.”

I would also like to thank Danny for his valuable service on the RADVISION Board of Directors,” Mr. Zisapel continued. “Danny’s strong voice and deep insights have been a valuable presence on RADVISION’s Board of Directors as it went through rapid growth to become a leading provider of videoconferencing infrastructure and voice over IP and 3G development toolkits for the communications industry.”

In addition to Mr. Atsmon, current RADVISION Board members include:

- Liora Katzenstein, President and CEO, Israel School of Entrepreneurial Management;
- Andres Mattes, President Enterprise Networks, Siemens ICN;
- Gadi Tamari, CEO and Director, RADVISION;
- Efraim Wachtel, President and CEO, RAD Data Communications; and
- Zohar Zisapel, Chairman.
