GADI TAMARI, CEO OF RADVISION, TO SPEAK JUNE 7th AT CIBC COMMUNICATIONS & TECHNOLOGY FOOD CHAIN CONFERENCE

Comments to be web cast and archived

Glen Rock, NJ, May 27, 2004 – Gadi Tamari, CEO of RADVISION (Nasdaq: RVSN) will speak on Monday, June 7th at the CIBC World Markets Communications & Technology Food Chain conference.

CIBC World Markets will host a live web cast of Mr. Tamari's presentation (audio only) beginning at approximately 8:35 a.m. (Eastern). The web cast can be accessed by visiting the RADVISION Web site at www.radvision.com and clicking on the appropriate link on the Company's Investor Relations home page. A replay of the event will be available there two hours after the live event and accessible for thirty days.

Further information about the CIBC World Markets Communications & Technology Food Chain conference is available at www.cibcwm.com/conferences/tech04.

About RADVISION Conferencing Solutions

RADVISION offers one of the broadest and most complete sets of video, voice, and data conferencing network solutions for IP and ISDN-based networks, supporting the majority of end points in the market today. The RADVISION solution features powerful multipoint conferencing units (MCUs), scalable H.323, SIP, 3G and ISDN gateways and gatekeepers, and easy-to-use management and scheduling tools for the IT manager and end user. RADVISION also provides businesses and service providers with integrated solutions that deliver converged IP-based video telephony and multimedia streaming applications to employee computer desktops, residential broadband homes, and 3G subscribers worldwide.

About RADVISION

RADVISION LTD. (Nasdaq: RVSN) is the industry's leading provider of high quality, scalable and easy-to-use products and technologies for videoconferencing, video telephony, and the development of converged voice, video and data over IP and 3G networks. For more information please visit our website at www.radvision.com.
